PLANT BASED DRY WATER SOLUBLE NITROGEN

## PRODUCT INFORMATION

ECOGRO WSP is a dry powder 100% water soluble plant derived nitrogen made by enzyme hydrolysis. Derived from non GMO Soy protein with 14% guaranteed minimum nitrogen to correct nitrogen deficiencies in crops, turf and gardens.

ECOGRO WSP is a vegan plant nutrient recommended for organic and conventional fertilization programs.

ECOGRO WSP is ideal for soil, foliar and chemigation based applications in crops and turf. The product contains protein hydrolysate which is the organic material obtained by the hydrolysis of proteins to their constituent amino acids and short polypeptides and is a source of nitrogen.

## DIRECTIONS FOR USE

Shake very well before use.

ECOGRO WSP can be applied to all crops including vegetables, fruit trees, nut trees, row crops, feed and forage crops, ornamental trees, flowers, shrubs, container plants, turf and public greens.

**Foliar Rates** : Apply 1 - 8 Pounds per acre. Multiple applications may be made 7-14 days intervals.

**Drip Rates** : Apply 4 - 8 Pounds per acre. Multiple applications may be made 7-14 days intervals.

**Sprinkler Rates** : Apply 8 - 16 Pounds per acre.

**Container and Nursery Plants** : Apply 0.5-1 Tbs per Gallon water and make foliar (or) soil application.

**Lawn and Home Gardens** : Apply 0.5 - 1 Tbs. per Gallon water and make foliar (or) soil application.

**Hydroponics**: Apply 0.25 – 0.5 Tbs. per Gallon water.

## Tank Compatibility Suggestions:

Perform compatibility test prior to tank mixing with other products. It is recommended to check plant safety tests prior to application to young and sensitive vegetation.

## NOTICE OF WARRANTY

ECOSTAT Technologies warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of ECOSTADT Technologies. In no case shall ECOSTADT Technologies be liable for consequential, special or indirect damages resulting from the use or handling of this product. ECOSTADT Technologies makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.
