Product of Germany

Use in accordance with recommendations of a qualified individual or institution such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or other source of information. Read and follow all directions and precautions on the label.

There are no implied warranties of merchantability or fitness with respect to these products, and the user assumes all risk to person and property in the use, handling or storage of the product. Buyer assumes all risk to person and property in the use, handling or storage of the product. Seller's liability is limited to the full amount of the purchase price, with the exception of any incidental or consequential damages being an express provision of this sale.

Mineral fertilizers are inorganic salts or mixtures of salts. By their nature, fertilizer salts may be irritating to the skin and eyes. Precautions should be taken to prevent eye contact and irritation. Fertilizer salts may also be irritating to the respiratory system. Inhalation of dusts may induce or aggravate respiratory discomfort. Use a properly fitted, particulate filter respirator complying with an approved standard if a risk assessment indicates this is necessary. Respirator selection must be based on known or anticipated exposure levels, the hazards of the product and the safe working limits of the selected respirator.

Information

FIRST AID:

Eye Contact: Rinse with plenty of running water. Check for and remove any contact lenses. Get medical attention if irritation occurs.

Inhalation: If inhaled, remove to fresh air. Get medical attention if irritation develops.

Skin Contact: Wash with soap and water. Get medical attention if irritation develops.

Ingestion: Wash out mouth with water. If material has been swallowed and the exposed person is conscious, give small quantities of water to drink. Do not induce vomiting unless directed to do so by medical personnel. Get medical attention if adverse health effects persist or are severe.

HANDLE THIS PRODUCT PROPERLY. TO ASSURE OPTIMUM QUALITY AND PERFORMANCE: USE CLEAN, DRY AND WELL MAINTAINED EQUIPMENT.
